

**All Breed Handling Seminar
With
Sharon Frampton**

Friday November 13, 2009 ~ 30 minutes after BIS Judging Ends

Hosted by the Tar Heel Chinese Crested Club

Sharon has been exhibiting dogs for 30 years in both breed and obedience. She's ranked breeds, taken multiple group placements and still helps others with their training issues. Sharon and her husband, Tom, were also all-breed handlers. Their personal breeds are top ranked Collies and Chinese Cresteds. Along with their own breeds, Sharon has trained, exhibited and titled many other breeds for breed and obedience in three countries, United States, Canada and Bermuda.

Sharon's husband, Tom, helped create the CGC program, and in 2000 they both became AKC Superintendents. Because of their position in the dog world, both had to give up their professional handling. Now retired from the administrative side of the dog world, Sharon is back handling and competing in obedience.
